Comments

“ We have felt the loss of Brian and the sorrows of his family. We have so many memories of family dinners, smiles and laughter at Brian's jokes, pets (lots of puppies and dogs who remained in our lives as "family"), and hugs from Marilyn that meant so much. We are aware of the tremendous loss of Brian to his family, peers, colleagues and friends.

“ Dear Shelly and daughters
I was shocked to hear of Brian's passing. Although I didn't work at the Jail for very long, I came to know you and your daughters and appreciated your thoughtfulness and caring you showed me. My thoughts and prayers are with you and the girls as you struggle to cope and get through the hard times to follow. Brian and I didn't always see eye to eye but I do have good memories along with the sad ones while working for him. You are a strong woman who will overcome the adversity you have been called to bear. May God bless you and keep you strong for your beautiful daughters.
