“ It was fun to be reacquainted with Iva Loo recently in the nursing home. She seemed to never lose her sense of humor in spite of her physical condition. We are sure there was a happy reunion with Owen and other loved ones. Isn't it wonderful to understand the great plan of happiness. May the Lord comfort you in your loss. But we are sure that she is much happier now. Our love, Duane and Patricia Huff

“ Grandma was one of my closets friends and confidant's. We had a great understanding for each other and and grandma always told me when I saw her how much she appreciated and loved me.

“ Dear Paula and family: Just wanted to offer my sincere condolences for the loss of your beautiful mother. She was such a classy lady, full of intelligence and charm. My mother, as you know, was her friend and thought the world of her. Paula, you look so much like her and inherited so many of her wonderful traits. I always enjoyed visiting with your mom when I came to your home. My thoughts and prayers are with you in this difficult time.

“ If my memory serves me accurately, your mom and dad were living in North Logan Highland Drive maybe? when we first came here in the mid-seventies. I lost track when they moved, but I remember her as a beautiful lady with such pretty eyes. She was always gracious and kind. I admired her involvement in community goings on. We know you will miss her and send our love and sympathy to your family. Richard and Brenda Anthony
