about sitting on his great grandfather's knee when he was only a toddler and the memories he had of his parents and relatives. He also remembered life on the farm and enjoyed telling stories

of the dry farm his family worked around Crow Mountain, just north of Smithfield.

Counselor and Branch President. His favorite calling was as a Home Teacher, where he ministered to many families and assisted as the Spirit led him.

Lloyd and Janel served a mission to Brisbane, Australia from 2002 to 2003. They have been married for 63 years.

“Lloyd is one of my favorite people ever! What a fine specimen of a man, honest and true in all aspects and with a great sense of humor to boot! Every time he saw me--unimportant me, he would stop and chat for a moment or two. He was always positive in his demeanor and is one of many people that I will remember for the rest of my life. In my opinion, he added to the community of Smithfield, as have the rest of your family. I consider it a privilege and an honor to know the rest of you, some better than others. I believe Lloyd's legacy of service and hard work has passed through at least the next generation. May the Lord bless you and keep you in this great time of need and may his spirit give you peace and comfort. Would that I could be there for the services.
