“ Miranda always had a smile on her face no matter what was going on or how busy she was at work! She was a joy to talk to. I would see her at the same place in the plant weekly and I definitely will think of her every time I walk pass the place we often had conversations. She will be missed by so many!

“ She was always willing to be my model. I loved doing her make-up when she would come visit. She was beautiful and my heart aches. I am so sorry you have to know the pain of losing a spouse, no one should have to endure that. My love is with you all. Thank you Miranda for sharing your beauty with this world. Give Don a huge hug from me.
