“ We built Fern's home in Logan and lived just down the street from her there for a short time. Enjoyed visiting with her during that time. We had connections from Bear Lake Valley and enjoyed catching up on each of them. Lost touch with her after we moved but have thought of her often. We pray that her family will be comforted at this time and remember all the memories of her life. David and Edith Weighall Lillywhite, Smithfield
PS my parents used to square dance with Fern and her husband.
