Our thoughts and prayers are with the family at this time of loss. Aunt Verla was the sweetest most loving person and has been a blessing in our lives. We see that same kindness in all of her wonderful children. We are sad that circumstances prevent us from attending the funeral services and being there for support. God bless!

“ I have always had a special place in my heart for both Rey and Verla Hyer. Rey was our home teacher for many years, and I have fond memories of him teaching in our home and sharing his delightful wit. I also recall him teasing me one Sunday, and Verla came to my "rescue," telling him to "let her alone...she is my special primary girl." Sister Hyer was always anxious to hear us sing, and always asked about me, even after I went away to college. She taught me in primary, and always took an interest in my and my life... I knew she loved me, and for that, I always loved her. I hope to give her a warm hug when we meet again. Thank you for sharing her with me, and with all whom she loved, and loved her. May the Lord comfort and bless you all as you say goodbye for a time. Love and prayers to you and your families. -Becky Bright Behunin

“ I was privileged to know Verla when I married into the Moon family. She was always genuinely interested in me and wanted to know how everything was going. She had a sweet smile and showed unconditional love. My sincere condolences to the Hyer family, she will be missed.
